Part : A

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.

Plan of action	Outcome achieved
To motivate faculty members to undertake major and minor research projects as also to author books and articles.	Some faculty members have undertaken research projects funded by UGC and other agencies and some of the faculties have authored books and articles.
To accommodate a greater number of students in Communicative English.	Scarcity of classrooms and lack of resource persons stands in the way of accommodating larger number of students in Communicative English.
To complete the process of registration of the alumni association.	The registration process still not completed.
To consider introduction of LL B course.	The college management sets aside the idea of introducing the LLB course for lack of infrastructure.
To provide hostel facilities for the girl students and build an auditorium.	College authority is looking for suitable land and necessary funds for ladies hostel and auditorium.
To extend the Chemistry wing to provide larger laboratory space for the students.	Renovation of Chemistry Laboratory is still under consideration. Construction of makeshift Chemistry Laboratory is undertaken
To extend the Computer Science block to provide for a few more classrooms and a room with audio-visual facilities.	Construction of Computer Science block is undertaken. The extension part shall have a few more classrooms and an audio-visual room.
