Howrah

Dated 30th April, 2022

Subject: Response to the Recommendation from IQAC for the institution

Respected Madam,

In response to your letter of recommendation from IQAC, dated 15.04.2022, I would like to place the following clarifications as following:

1. After reopening of the college in new normal situation, institution had tried the best to provide a safe and clean campus for the students and staff members strictly maintaining the COVID protocol for conducting teaching-learning procedure in offline mode. Proper sanitization is being done time-to-time at regular intervals.
2. A structured time table has been prepared for the ongoing odd semester classes in the campus by routine sub-committee, following which regular classes are being carried out.
3. Four new classrooms in the institution are being constructed, which will be ready to be used very soon.
4. A number of cultural programmes and inter-departmental competitions in the college campus are being organized to encourage the students.
5. The activities of the Parent-Teacher association are being continued for the betterment of developmental activities of the institution.
6. Alumni Association of the college had come forward for further activities. The association organized a campus cleaning programme in December 2021, in collaboration with the NSS unit of the college.

Date

7. The process of the feedback collection from the parents, seeking their opinions for betterment of the college has been started. The feedback proforma (both online and offline mode) has been prepared for circulation.
8. Library of the college is ready for the students as a rich academic resource along with the departmental/seminar libraries.
9. Different programmes related to value education was organized by Value Education Cell for the incubation of the sense of human values among students.
10. The process of academic audit in the institution had been initiated along with internal verification.
11. The official procedure for the Green Audit of the campus has been initiated after reopening of the college.
12. An online multidisciplinary peer reviewed journal on Biological Sciences, named "NDC E-BIOS" had already been published by the institution in December 2021.

Thanking you.

Yours Sincerely,

[Dr. Soma Bandyopadhyay]

Principal
